ANNOUNCING THE BIRTH OF GRIFFIN MACK LUGAR

● Mr. LUGAR. Mr. President, Char and I want to share with all of our colleagues and friends the joyous news of the birth of Griffin Mack Lugar on October 26, 2005, at Sibley Memorial Hospital in Washington, DC. Griffin was a healthy 8 pounds at birth. His parents are our son, John Hoereth Lugar, and his wife, Kelly Smith Lugar, daughter of Robert Lee Smith and Renee Routon Smith. Griffin was born at 8:13 p.m. and within the next hour, John's brother, David Lugar, joined Char and me in the hospital room to see a very healthy newborn baby and to congratulate John and Kelly and to share their joy during unforgettable moments. On the next day, Griffin met his brother, Preston Charles Lugar, who was born at Sibley Memorial Hospital on February 20, 2004. The two boys and their parents are now safe and healthy in their Arlington, VA residence.

Kelly and John were married on November 5, 2001, in the Washington Cathedral with Dr. Lloyd Ogilvie, former Chaplain of the Senate, presiding. They and their families and guests had enjoyed a rehearsal dinner in the Mansfield Room of the Capitol on the night before the wedding. Kelly worked with many of our colleagues during her service to the administration of President George Bush and our former colleague, Secretary of Energy, Spencer Abraham, as Deputy Assistant Secretary with responsibilities for congressional relations. She now has a private consulting business. A graduate of the University of Texas, she was once a member of the staff of Congressman Ralph Hall of Texas. John Lugar came with us to Washington, along with his three brothers, 28 years ago. He graduated from Langley High School in McLean, VA; Indiana University, and received his masters of business administration degree from Arizona State University. He is currently a vice president with Jones Lang LaSalle, a commercial real estate services and investment management firm.

We know that you will understand our excitement and our gratitude that they and we have been given divine blessing and responsibility for a glorious new chapter in our lives.●

MERCER COUNTY DRUG FREE COMMUNITY SUPPORT PROGRAM

● Mr. ROCKEFELLER. Mr. President, I rise today to recognize the Mercer County Drug Free Community Support Program. The course provides initiatives towards fighting substance abuse, developing links between the community and its leaders in helping to educate the public, and allow young citi-

zens the opportunity to help their peers. They have received numerous awards for their work in helping the citizens of Mercer County deal with problems they may encounter daily, be it alcohol, prescription drugs, or illegal substances. The county has received a prestigious national award for its efforts, and deserves acknowledgment and praise for this accomplishment.

Recognizing the importance that this program brings to the community is important; America's Promise, the Alliance for Youth announced that Mercer County is the winner of a national award to identify the 100 Best Communities for Young People; the award shows the true extent of the value of such programs as the Mercer County drug-free program, helping communities create better lives for the people who live in areas afflicted by substance abuse, and the problems arising from drug abuse. The 100 Best Communities for Young People celebrates outstanding, innovative efforts across the country that improve the well-being of our young citizens. Mercer County truly deserved this award for its efficient and pioneering ways of dealing with social problems and substance abuse.

Mercer County has put in place community programs that help teens learn about problems arising from drug abuse, social misconduct, and other related issues. One particular project which deserves praise is the "teen court" in which offenders are judged by their peers. The Mercer County Teen Court was designed to provide youth with the necessary tools to demonstrate the power they have, individually and collectively, to influence others and make positive changes in their own lives and in their community. The teen court is especially effective in allowing teens the chance to see what problems have arisen from their offense, and to be given a punishment fitting to the crime handed out by their own peers.

As a Vista volunteer in 1964, I realized the importance of community work in combating poverty, helping individuals and low-income neighborhoods make positive changes for themselves and their communities. The Mercer County Drug Free Community Support Program is also part of the Creating Opportunities for Youth coalition, a group of community leaders who work hard creating a strategy to address the problematic behaviors plaguing our children and youth in the community.

The organization plays a vital role in helping young citizens avoid the dangers of substance abuse; government grants and awards have allowed the program to set up successful workshops that deal with educating youngsters and parents alike. It is, in effect, a leading community source for prevention and awareness of substance abuse. The program has worked closely with leaders and the citizens to bring together Mercer County and, as a result,

it is a good, safe place to live, work, and raise children.●

REPORT RELATIVE TO THE CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO SUDAN—PM 29

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. Consistent with this provision, I have sent the enclosed notice to the Federal Register for publication, stating that the Sudan emergency is to continue in effect beyond November 3, 2005. The most recent notice continuing this emergency was published in the Federal Register on November 2, 2004 (69 FR 63915).

The crisis between the United States and Sudan constituted by the actions and policies of the Government of Sudan that led to the declaration of a national emergency on November 3, 1997, has not been resolved. These actions and policies are hostile to U.S. interests and pose a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared with respect to Sudan and maintain in force comprehensive sanctions against Sudan to respond to this threat.

GEORGE W. BUSH.

THE WHITE HOUSE, November 1, 2005.
